Dear Guy

## Northumberland WASPI

As you know, I have been a long-standing supporter of Northumberland WASPI, who represent a strong, cohesive group, whose founding members are also on the national WASPI executive.

You will be more than familiar with the issues at stake for this cohort and I hope you are also aware that they have had problems in encouraging a dialogue between themselves and Government Ministers.

As you know, my approach to these and other issues is to encourage constructive dialogue rather than adversarial action. To that end, I would like to invite you to attend a meeting with Northumberland WASPI, many of whom live in your constituency, in order to listen to their concerns and begin that constructive dialogue.

My office will be in touch to arrange a suitable date.

Yours sincerely  
Anne Marie
